4

5

Songs that we would LOVE NOT to hear:

Request from guests will be noted, and will be played when and if deemed appropriate.
Songs listed as "Love Not" will not be played, unless the bride/groom gives on-the-spot approval
If I see a potential downside to playing a song, I will let them know the reasons for my reservation up-front.

As always, only the bride and groom have FINAL say over what songs to play
